

Speak Easy.

The iPhone's perfect Appcessory.

The first Lightning-powered portable speaker that turns your iPhone into a conference system loud enough to fill any conference room. Rayz Rally uses your iPhone's smarts to deliver clearer calls and bigger sounds. It's a new kind of experience from a speaker that works effortlessly with your iPhone, iPod, iPad, PC or Mac, is small enough to fit in your pocket, and amplifies your call experience like never before.

Instant Meeting.

Plug and Play Simplicity

Plug it in and it works. The built in speaker and microphone automatically power on. One smart button handles everything you need, it's that simple.

No Batteries - Powered by Lightning

Powered by your iPhone, no batteries or charging required. Operates in modes with the lowest power use possible from your iPhone.

Highly Portable

The clarity of a conference system in a pocket-sized portable speaker that's powered by your iPhone, iPod, iPad, PC or Mac.

Louder than it Look

The only Lightning-powered conference speaker small enough to fit in your pocket but has the loudness and quality of a larger conference calling system.

Talk and Charge

Charge your iPhone, iPod, or iPad even while talking or listening to music.
